

VALPARAISO UNIVERSITY

Initiative for Schools, Industries and the Sciences for Elementary Teachers (ISIS-ET)

Statement of Assurance

The teacher(s) and students participating in the ISIS-ET Program will be using various instruments and equipment (laptop, data projector, TV, VCR, digital cameras, memory cards, flash drives, USB hub and extension, microscopes, stereoscopes, Ken-a-vision, Pupil Cams, telescope, walkie-talkies, PRS, horse skeleton, human skeleton, Van de Graaff generator, weather charts, graphing calculators, overhead LCD, LabPros and various probes, sensors and detectors) in the classroom. The principal and teacher(s) assure that the instrumentation and equipment will be protected from indiscriminate student use, theft or malicious damage by keeping them in a supervised area during usage and in a locked area when not in use.

Teachers understand that Valparaiso University can also provide customized in-service training on any of the instruments and/or equipment for the science and/or mathematics departments upon request and availability.

We, the undersigned, have read and agreed to abide by this Statement of Assurance.
